Greetings from your OQHA Amateur Board:

It's that time of year once again the Amateur Basket Auction and Wine & Cheese Social. This is a fun event held every year to support year-end awards for the amateurs.

The auction is a concerted effort and wouldn't exist without the support of contributing barns, trainers, amateurs, OQHA members and businesses. The Amateur Board and its members appreciate every one of these donations to be auctioned off and have seen creative items over the years which makes it all the more fun.

We look forward to the 2019 auction and what baskets and creativity you can bring to the table all the while enjoying the free wine & cheese social compliments of your Amateur Board. Please contact Joy Bearden for information or questions at joybearden@hotmail.com or 360-219-5929. Please have donations ready by Friday at 10:00 AM.

Thank you and we look forward to seeing you soon,

Your OQHA Amateur Board
